Warmest Greetings,

With esteemed expertise in Food Safety and Meat Handling, the Digos City Veterinary Office cordially invites you to share your knowledge by delivering a lecture on Good Manufacturing Practices (GMP) and Sanitation Standard Operating Procedure (SSOP) on August 17, 2024. This gathering aims to reinforce our commitment to ensuring the safety and quality of meat products, while staunchly preventing contamination and mitigating the risk of food-borne illnesses from farm to table.

Your invaluable insights and experience will play a pivotal role in fortifying our collective efforts toward this paramount goal.

We express heartfelt gratitude for your unwavering support in advancing the cause of public health and safety.

Respectfully Yours,

DR. NEIL RICHIE S. LAVEGA
OIC-City Veterinarian
